Discover the perfect blend of performance and comfort with the Philips 27E1N1100A monitor. This 27-inch Full HD LED-backlit LCD monitor is designed to deliver a superior viewing experience, whether you're gaming, working, or enjoying multimedia. With AMD FreeSync technology, it offers smooth visuals without tearing, making every moment on screen look flawless. The monitor's IPS panel boasts a wide 178-degree viewing angle, ensuring vibrant colors and clear images from any perspective.

Philips prioritizes your well-being with features like Flicker-Free technology and LowBlue Mode, aimed at reducing eye strain during prolonged use. The monitor also stands out for its environmental consciousness, featuring 100% recyclable packaging and mercury-free components. Versatile connectivity options, including HDMI and VGA ports, allow for easy integration with your devices, while the integrated cable management system keeps your space tidy. Experience enhanced productivity and comfort with the Philips 27E1N1100A, a monitor that combines functionality with
