Take the stress out of printing with the four-colour 103 ink series. It's designed to give you a hassle-free, ultra-low-cost and mess-free solution for everyday printing. From one set of ink, you can produce thousands of pages without having to change a cartridge. When a refill is finally due, it's easy and mess-free thanks to the re-engineered bottles.

Everyday printing

Whether you're printing off school homework or flight tickets, this ink series with four-colour dye inks provides a reliable, hassle-free solution.

Slash ink costs

Looking for an ultra-low-cost printing solution? From the first set of ink included with the printer, you could save 90% on ink costs on average². It's not only affordable, it's impressive how many pages just one set can produce - up to 4,500 pages in black and 7,500 in colour¹.

Specially engineered for ease of use

Epson's ink bottles are easier to use than ever before with the next generation design. The re-engineered bottles provide mess-free refills, and only allow the correct colour to be inserted into the corresponding tank.
