Reduce your printing costs

Epson offers standard and extra large (XL) ink cartridges so that you can pick the best value option for your needs. XL inks are great if you print in high volumes and can help to reduce your printing costs. With both sizes, the colours are available individually so only the colour used needs to be replaced. That means less wastage and great value.

Meet the range

Epson's Claria Premium 5-colour ink set is ideal for busy households who want the best of both worlds – high-quality document printing and outstanding, glossy photos. It combines pigment and dye-based inks with the additional benefit of a photo black ink. This means that as well as creating durable text documents, these inks produce high-quality photos. What's more, photos printed with
