R5,943

The Philips Evnia 3000 34M2C3500L monitor is designed to elevate your viewing and gaming experience. Featuring a 34-inch curved display with a 1500R curvature, it offers an immersive viewing experience that's comfortable on the eyes, making it perfect for extended gaming sessions or productive workdays. With its WQHD resolution, you'll enjoy crisp, detailed visuals across a wide color gamut, including 103% Adobe RGB and 105% NTSC, ensuring vibrant and accurate colors. The monitor's HDR10 capability enhances the dynamic range of your content, providing brighter brights and darker darks for a lifelike viewing experience. Adaptive-Sync technology ensures smooth, tear-free gaming, while the monitor's low input lag and fast response time keep you competitive in fast-paced action. Designed with sustainability in mind, the Philips Evnia 3000 features a construction that includes 85% post-consumer recycled plastic, making it a choice that's good for your gaming and professional needs and also for the planet.
