R4,249

The ASUS VU249CFE-G is a 24-inch desktop monitor designed to enhance the viewing experience with its Full HD resolution of 1920 x 1080 pixels. This display has a pixel pitch of 0.2745 mm and an image brightness of 250 cd/m², ensuring vibrant colors and sharp details across various applications. The monitor offers a horizontal and vertical viewing angle of 178 degrees, allowing for comfortable viewing from different positions in a room without compromising visual quality. Incorporating features like ASUS Splendid Video Intelligence Technology, Flicker-Free technology, and Low Blue Light technology, this monitor enhances visuals and prioritizes user comfort during extended use. The anti-glare display screen coating reduces reflections, allowing for a more focused viewing experience. With a rapid response time of 1 ms, gamers can enjoy smoother motion without
