R4,249

Experience vibrant visuals with the 24-inch desktop display featuring a native resolution of 1920 x 1080, ideal for both work and play. Designed with a 178-degree horizontal and vertical viewing angle, this monitor ensures a clear view from multiple positions, making it perfect for collaborative environments. With rapid response times of 1 ms, coupled with adaptive-sync technology and flicker-free performance, enjoy your games and videos without a blurry mess. Features such as ASUS GamePlus and ASUS EyeCare+ Technology enhance the gaming experience while reducing eye strain during prolonged use. The display's sleek design incorporates a 3-sided bezel-less feature, maximizing the screen area for an immersive experience. The monitor allows for various display position adjustments including height and tilt, catering to user preferences for comfort. With
