Model: C13T37954020

Manufacturer: EPSON

EAN: 8715946645933

Product Code: 486117

R1,438

Reduce your printing costs

Epson offers standard and extra large (XL) ink cartridges so that you can pick the best value option for your needs. XL inks are great if you print in high volumes and can help to reduce your printing costs. With both sizes, the colours are available individually so only the colour used needs to be replaced. That means less wastage and great value.

Meet the range

Print long-lasting and professional-looking, glossy photos at your convenience with Claria Photo HD Inks. Both photography enthusiasts and semi-professionals are sure to appreciate the enhanced level of quality produced by its 6-colour inks. It delivers detailed images and realistic skin tones with smooth tonal gradations and deeper, more natural blacks. Designed with longevity in mind, the high-quality ink can last for 300 years in a photo album¹.
