R6,633

Self-Ordering and Self-Checkout Kiosk Thermal Receipt Printer.

The sleek, new Epson® EU-m30 Kiosk Thermal Receipt Printer offers innovative kiosk friendly features for easy integration into various self-checkout and self-ordering kiosks. With the included easy mounting kit for effortless integration and serviceability, it's ideal for busy retail and hospitality environments. Remote monitoring makes managing and minimizing downtime simple, and the EU-m30's new bezel option helps improve paper path alignment which aids in preventing jams in a kiosk environment. Troubleshooting in the field happens fast thanks to illuminated LEDs for attention and error status. And you can feel confident knowing the EU-m30 is secure with features like restricted front cover access and button cover options to prevent unauthorized printer access. A reliable performer, it features a 150 km printhead life¹ and auto cutter life of 1.5 million cuts¹. Customer

lines aren't likely thanks to fast print speeds of up to 250mm/sec. Backed by world-class service and
