## **R1,967**

The Philips 24E2N1100LB is a versatile 24-inch desktop monitor designed for enhanced viewing experiences. Equipped with a Full HD (1920 x 1080) resolution, it delivers clear and detailed images, ideal for both work and play. The monitor features a wide viewing angle of 178 degrees, ensuring consistent colors from various perspectives. With a brightness of 250 cd/m<sup>2</sup> and a contrast ratio of 4000:1, visuals come to life with vibrant colors and deep blacks, making it suitable for diverse environments. In addition, the monitor incorporates Flicker-Free technology and LowBlue Mode, creating a comfortable viewing experience by reducing eye strain during extended use. The adjustable tilt feature allows users to customize their viewing position, enhancing ergonomic comfort. With its numerous compatibility options, including HDMI and VGA inputs, this monitor is perfect for connecting to multiple devices, making it a great choice for any desktop setup.

**Product Description: Philips 24E2N1100LB - 1000 Series - LED monitor - Full HD (1080p) - 24" |**
