Model: CAC-1404

Manufacturer: CLUB 3D

EAN: 8719214471774

Product Code: 487438

R1,377

Description:

With this Club3D USB 3.2 Gen1 Active Repeater Cable CAC-1404, you can go far beyond the standard USB Cable length limitation of 3 meters /9.84 feet, without loss of Data Transfer Speed. The USB 3.2 Gen1 Active Repeater Cables are fully Plug & Play and do not require any driver installation. Just connect your external USB device like External HDD/NAS/Digital Camera or External USB Graphics to your system with the CAC-1404 and have flexibility of the increased 5 meters /16.4 feet of extra cable length. Also for a VR experience at the sofa away from the notebook or PC this cable provides you with the freedom of movement.

The CAC-1404 supports data transfer rates up to 5Gbps over the full length of the cable.

As an option, for powering the repeater, we offer our CAC-1408, an USB Type A to Micro USB M/M cable of 1 meter, please order separately.
