R3,054

The Club 3D CAC-1918 Travel Charger 240 Watt GaN technology, Four port USB Type-C, Power Delivery(PD) 3.1 and PPS Support is a high-performance and fashionable design travel charger. Versatility: Perfect solution for business travelers and power users needs and multiple ports. This means you only need one charger for all your modern devices, and you don't have to worry about carrying multiple adapters. Portability: Highly portable and easy to carry (535 gr / 18.87 oz) in a backpack or luggage, making it ideal for business travelers who need to stay connected on the go without being weighed down by bulky chargers. Powerful charging: The 240 Watt charger charges multiple devices simultaneously at high speed, while improving the life of your batteries at the same time. Ensuring busy travelers can stay productive on the move without waiting around for hours. Built-in safeguards protect your devices against excessive current, overcharging and overheating(OCP-OTPSCP-OVP). The unit comes with a suporting bridge to position the unit uprighth.
