

LogiLink CHV0100 HDMI cable 10 m HDMI Type A (Standard) Black, Red

LogiLink CHV0100 HDMI cable 10 m HDMI Type A (Standard) Black, Red

Model: CHV0100

Manufacturer: LOGILINK

EAN: 4052792063363

Product Code: 488944

R1,731

This active HDMI cable from LogiLink, equipped with a signal amplifier, is ideal for transmitting video and audio data with high bandwidth over longer distances. With the integrated signal amplifier, it ensures lossless transmission over the entire cable length with UHD resolutions of up to 4K/60 Hz. The ideal use for home, meeting or conference rooms as well as inside buildings represent just a few of the areas of application. The user-friendly installation here is done by simple plug and play, plug in and immediately enjoy the highest image quality. Numerous standards are supported, such as HEC, CEC as well as Full HD in 3D, HDR, Deep Color and Multistream support. In the audio area, ARC, DTS-HD Master Audio or Dolby TrueHD, among others, are supported, as well as many other audio formats.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
