

Samsung CLP-K300A toner cartridge Original Black

Model: CLP-K300A/ELS

Manufacturer: SAMSUNG

EAN: 8806349389750

Product Code: 489137

R2,196

unique toner design

- The SAMSUNG colour printer series is the smallest and lightest consumable in its class targeting personal and SOHO users. It features compact toner bottles, instead of bulky cartridges for complete customer satisfaction.

NO NOIS™

- NO NOIS™ technology says it all: no noise. Far quieter than its competitors, this machine registers at 48 decibels for colour printing. No more distractions as the printer rattles on in the background. Imagine a home or office environment where the printer operates at a low hum, and allows you to concentrate on other important tasks as it work gets done. Thanks to its innovative technology, mini-noise equals NO NOIS™.

security label

All SAMSUNG supplies carry a colour changing security label to prove they are original products.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

1. When the label is tilted, the colour changes from clear to cyan.
2. The embossed characters change colour between red gold and blue when viewed from different angles.
3. Verification of the embossed character is possible by feeling the texture.

easy toner change

SAMSUNG printer cartridges are easy to change by following 3 steps.

1. Open the front cabinet.
2. Change cartridges.
3. Close cabinet.

automatic toner monitoring system

- Notifies customers when the toner is low or out, giving them worry-free control over printing.

genuine quality

- Original supplies enable consistent printing without reliability problems. SAMSUNG original supplies guarantee high quality pages without quality defects.
