R1,731

Samsung Colour Laser Supplies are designed to maximise the machine performance. Constantly redesigned and improved Samsung Supplies provide best performance, reliability and outstanding colour printing quality. Samsung Colour Laser Toner cartridges have stable & professional image quality in high-speed and high volume printings. High capacity colour toner cartridges make it easy to produce brilliant & cost effective colour documents and increase uptime.

unique toner design

The Samsung colour printer series is the smallest and lightest consumable in its class targeting personal and SOHO users. It features compact toner bottles, instead of bulky cartridges for complete customer satisfaction.

easy toner change

Samsung printer cartridges are easy to change by following 3 steps. 1. Open the front cabinet. 2. Change cartridges. 3. Close cabinet.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

security label

All Samsung supplies carry a colour changing security label to prove they are original products. 1. When the label is tilted, the colour changes from clear to cyan. 2. The embossed characters change colour between red gold and blue when viewed from different angles. 3. Verification of the embossed character is possible by feeling the texture.

automatic toner monitoring system

Notifies customers when the toner is low or out, giving them worry-free control over printing.

genuine quality

Original supplies enable consistent printing without reliability problems. Samsung original supplies guarantee high quality pages without quality defects.
