Working from home shouldn't be a compromise. Dress your desk with this elegant Desk Mat, handcrafted from one continuous smooth piece of sustainable full-grain leather and backed in a non-slip suede. Handcrafted by artisans from the most durable and luxurious part of the leather, this Desk Mat will age gracefully to develop a beautiful patina with usage. The Desk Mat's edges are hand-painted, brushed and burnished to combat wear & tear. Designed in Denmark by a Climate Positive Company, protect your 'stuff' and the planet with this eco-friendly home office accessory.
