Patch cable Eonline, Cat.5e, SF/UTP, grey, 15 m" from LogiLink Professional

LogiLink's Cat.5E shielded patch cables are built for ease of use and peak signal quality. The molded boot serves as a strain relief, while eliminating cable snags. Our Cat.5E patch cables are optimized for all Fast and Gigabit Ethernet performance and conform to current industry standards like TIA/EIA 578A and T578B wiring specifications. LogiLink's Cat.5E Shielded Patch Cord is comprised of four 26 AWG diameter foil and braid shielded twisted pairs of solid wires. We have Cat.5E patch cords available in many different lengthss and colors.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
