

Brother BTD180CLVAL Coloured Multipack Ink Bottles

Model: D02VY001

Manufacturer: BROTHER

EAN: 4977766838931

Product Code: 491049

R5,940

Designed to ensure quality documents every time you print, the genuine Brother BTD180CLVAL colour ink bottle multipack provides a super high yield of 5000 pages per bottle (cyan, magenta and yellow), so you can put an end to regular ink replenishment. Just fill up the ink tank and enjoy long-lasting professional quality prints.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
