

LevelOne 10Gbps SFP+ Direct Attach Copper Cable, 2m, Twinax

Model: DAC-0102

Manufacturer: LEVELONE

EAN: 4015867230534

Product Code: 491626

R1,686

The LevelOne DAC-0102 passive SFP+ cable assembly is a high-performance, cost-effective I/O solution for 10G Ethernet and 10G Fibre Channel applications. SFP+ copper modules enable high port density, configurability and utilization at a very low cost. Perfectly suited for virtual stack and trunking applications with the switches of the GTL and GTP series or also for connection to a NAS system.

The DAC-0102 high-speed cable assemblies meet and exceed the industry standard performance and reliability requirements of Gigabit Ethernet and Fiber Channel.
