Model: DIR01

Manufacturer: SHUTTLE

EAN: 4046047103447

Product Code: 492468

R1,377

A DIN-Rail is a metal rail widely used for mounting electronic control equipment inside equipment racks. The Shuttle XPC accessory DIR01 allows the installation of 1-litre XPC slim barebones on a standard 35 mm DIN-Rail. Should the required VESA mount (100 x 100 mm) not be included with your Shuttle XPC, it is available optionally.
