

Brother CD/DVD Labels

Model: DK11207

Manufacturer: BROTHER

EAN: 4977766628174

Product Code: 492536

R1,280

Clearly mark CDs and DVDs in seconds with the DK-11207 Film Label Roll. Identifying discs with marker pen can look messy, plus the pen ink can easily rub-off when handled. These genuine Black on White Brother CD/DVD film labels are designed to last longer, meaning you needn't worry that vital discs might go missing.
