

Conceptronic DONN USB-C to Micro USB OTG Adapter 3-Pack

Model: DONN05G

Manufacturer: CONCEPTRONIC

EAN: 4015867223178

Product Code: 493704

R889

The USB-C OTG Adapter lets you charge and sync USB Type C mobile devices, such as the Samsung Galaxy S8, S8+, Nexus™ 6P, and 5X phones, using a Micro USB cable. The compact adapter is portable enough for carrying as a tablet accessory and it reduces the number of cables that you need to carry around with you in order to charge all of your mobile devices.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
