

Conceptronic DONN29G 6-in-1 USB 3.2 Gen 2 Docking Station, 4K60Hz HDMI, USB-A 10Gbps x 2, USB-C 10Gbps, GbE LAN, 140W USB PD 3.1

Model: DONN29G

Manufacturer: CONCEPTRONIC

EAN: 4015867239629

Product Code: 493719

R1,671

This 6-in-1 Docking Station expands your device's USB Type-C functionality with HDMI, USB-C PD, USB-C (10Gbps), USB-A (10Gbps), and RJ45 ports. It's an ideal solution for MacBooks or Windows laptops with built-in wireless connectivity but no Ethernet port. Featuring a Gigabit Ethernet connection, it ensures fast and reliable wired network access. Additionally, the docking station supports up to 140W power delivery for compatible laptops or tablets with USB-C PD 3.1 support.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
