

Conceptronic DONN30B 13-in-1 Thunderbolt 4 Docking Station

Model: DONN30B

Manufacturer: CONCEPTRONIC

EAN: 4015867240748

Product Code: 493720

R9,024

Transform your digital experience with the premium 13-in-1 Thunderbolt 4 Docking Station—the ultimate connectivity solution engineered for professionals who demand excellence. One port becomes your gateway to endless possibilities: enjoy visual brilliance with dual extended displays across macOS and Windows, and stunning clarity with HDMI output up to 8K at 30Hz, enabling advanced multi-monitor setups for maximum productivity.

Experience unmatched connectivity with dual Thunderbolt 4 ports for ultra-fast device integration, four high-performance USB ports (2× USB-C, 2× USB-A) supporting 10Gbps transfer speeds, a professional-grade SD 4.0 card reader with UHS-II support (up to 312MB/s), and advanced 2.5GbE Ethernet with MAC address passthrough for enterprise-level network security.

Power through your workflow with up to 96W USB PD 3.0 host charging, enjoy crystal-clear audio through the integrated 3.5mm jack, and take advantage of intuitive power management via the built-in power button. Enhanced physical security is also ensured with both standard and nano
