R8,780

Makes perfect espressos at the touch of a button and enjoy cappuccinos and create other milk drinks.

- Two-line display with icons

- Cappuccino System: it combines steam, air and milk, producing a rich, creamy froth for great cappuccinos
- Personalizing coffee as often as you want has never been easier. Choose from short, medium or long, try a strong or extra mild aroma, enjoy it piping hot, medium or low temperature.
- The machine can be used with either coffee beans or ground coffee
