R757

Sync your phone and screen to match your style

The lightweight and slim Flipsuit Case allows you to switch styles with ease. Just slide in your favourite interactive card, and your phone gets an instant makeover. Not only does it look great, but it is durable and keeps your device safe. Embrace effortless style, tailored just for you.

Effortless customization with interactive cards

Effortless customisation with interactive cards

Transforming your phone has never been this easy. Simply insert the interchangeable card you like onto the clear Flipsuit Case, and watch your lock screen automatically sync and match the dynamic design. Say hello to a phone that truly suits your style.
