

Conceptronic EMRICK 4-Port SATA PCIe Adapter with SATA Cable

Model: EMRICK03G

Manufacturer: CONCEPTRONIC

EAN: 4015867221976

Product Code: 495898

R1,469

This 4-Port SATA PCIe Adapte uses a combination of Asmedia high performance chips (ASM1061+ASM1093) to extend 4 SATA Ports. Each Serial ATA port supports transmission speeds up to 6Gbps, and has backward compatibility to legacy SATA 1.5Gbps or 3Gbps drives. Also, the card supports Mode switching functionality, and can easily switch between IDE or AHCI systems.
