De’Longhi Rivelia EXAM440.55.g Fully-auto Espresso machine 1.4 L

Model: EXAM440.55.G

Manufacturer: DELONGHI

EAN: 8004399026636

Product Code: 496760

R14,943

Switch to your new coffee experience with Rivelia, featuring two interchangeable bean hoppers, for double the amount of delicious coffee!

Two bean hoppers allow you to effortlessly switch between two types of roasts or say decaf & caffeinated beans. So, you can wake up with an espresso but wind down with a decaf latte. Just turn the hopper to start the switch.

Rivelia offers 16 one-touch coffee recipes, accessed via the 3.5” coloured touchscreen. For each drink choice, you can add an Extra shot, adapt the size & intensity & add it to one of four personal profiles for future easy access. Rivelia also recognises your coffee routine, so if you start your day with a flat white, but take an espresso after lunch, Rivelia's screen will update to show your personal

preferences.

For further customisation, the LatteCrema carafe, which automates the creation of hot milk & milk foam, is compatible with alternative milk drinks, oat, soy, coconut.

Rivelia comes equipped with an in machine ‘how to guide’ on getting the best out of your beans. Called Bean Adapt technology, it aids in finding the right grind, extraction temperature and aroma intensity for the blend and roast of bean so you’re sure to create an enjoyable espresso with the all-important crema. You can name each bag of beans entered for future use.

Keeping your machine in good condition is essential for increasing its lifespan, but also, ensuring your coffee tastes great.
Rivelia rinses automatically but will require descaling on a frequency that is in line with use and water hardness in your area.
The LatteCrema carafe also has a rinse function & is easily washable by hand or some parts in dishwasher. Refer to the manual for specifics.

You can also remove and rinse through the brewing unit (where coffee is tamped).
