The Neomounts FL15-750WH1 is a tablet floor stand that can be installed both in portrait and landscape orientation. The clever design includes six different tablet inlay panels making the tablet holder suitable for various 9,7-11" tablets*.

The floor stand features an anti-theft lock and a bolt-down base for extra security. Anti-skid pads protect the tablet from any scratches and the steel construction ensures safe and solid placement. The floor stand also features a special lockable power strip compartment. The cable management system enables cables to be routed through the pole.
