1199-071

Model: FLE6511

Manufacturer: BROTHER

EAN: 4977766769662

Product Code: 497754

R1,119

Brother P-touch Pro Tapes are built with tough and durable professional grade materials and adhesives. Developed to meet the needs of tradespeople and other professionals looking for reliable long-term identification that withstands the test of time. The FLe-6511 flag tape is suitable for small diameter cables from 2.0mm to 8.0mm, making this label ideal for fibre optic cable identification in the network industry. The label is a special pre-cut shape, and once printed the long “tail” can be placed around the cable and the label simply folded over the tail to lock the label into position. Pro Tape TZe tape cassettes are quick and easy to install and come in various label widths, colours and materials. So, no matter what the job, Pro Tapes can provide you with crisp, sharp and easily readable labels to get the job done.
