

GIGABYTE C500 PANORAMIC STEALTH Midi Tower White

Model: GB-C500PI ST

Manufacturer: GIGABYTE

EAN: 4719331555030

Product Code: 498692

R2,300

270° Panoramic View with Tempered Glass Panels

Both front and side panels are made of 4mm tempered glass, offering a 270° panoramic view of the internal assembly. This allows users to easily showcase their customized PC rig. The no-drill design of the both glass panels reduces the risk of damage and enhances the overall visual appeal.

OPTIMIZED AIRFLOW DESIGN

The top, bottom and partial right-side panels feature a large-area vented design, effectively delivering generous airflow for optimized cooling. This not only enhances air intake but also helps to protect hardware components and maintain performance stability.

RGB FUSION

With 16.7M customizable color options and numerous lighting effects, you can choose lighting effects or synchronize with other devices.

ARGB CONNECTOR HUB

The built-in ARGB connector hub is equipped with five 5V 3-pin connectors, enabling users to expand their RGB light stripes, create a superb cooling system as well as a fantastic and gorgeous rig.

TOOL-FREE INSTALLATION

Thanks to its modular design, users can easily remove the front and side panels without any tool when updating or changing the device.

DETACHABLE DUST FILTER

The filters keep your PC from accumulating dust while maintaining optimal cooling performance. The magnetic filters on the top, right-side and bottom panels make maintenance easy.
