

Chieftec Stallion II Midi Tower Black

Model: GP-02B-UC-OP

Manufacturer: CHIEFTEC

EAN: 753263078261

Product Code: 499251

R4,825

The CHIEFTEC STALLION II premium GAMING CHASSIS comes with tempered glass on the left side and front panel, thereby enhancing a clear overview of the interior of the chassis and positively exposing RGB RING fans andother lightening components. 4 pre-installed 120mm RGB RAINBOW RING fans are controlled by a remote control unit which forms part of the extensive „scope of delivery“. The sophisticated interior design allows the integration of an additional 360mm water-cooling radiator to the front and so, this second generation Chieftec gaming chassis fulfills and surpasses every gamer’s expectations.
