

Sony GP-VPT1

Model: GPVPT1.CE7

Manufacturer: SONY

EAN: 4905524941395

Product Code: 499401

R2,794

Steady shooting with precision control

Get up close with zoom: pull yourself closer to your subject with the zoom lever on the remote, or use the slow zoom switch for a more measured close up.

Easily line up a shot with grid lines: check vertical and horizontal alignment: press the grid line button on the remote to see a grid of four white lines that helps you.

Pack it up and take it anywhere: the tripod is slim and compact: slip it in the supplied case and take it on a shoot with no bother.

Strong and light aluminium design: this tripod is tough enough to go wherever you go: you can sling it over your shoulder and it won't weigh you down.

Quick and easy mounting with quick shoe: always capture the moment perfectly: quickly attach your Handycam® for a steady shot and then easily release once you're done.
