Model: HP.DSCAB.009

Manufacturer: ACER

EAN: 4712842945611

Product Code: 500497

R2,107

With the Acer 12-in-1 USB Type C dongle you will always have access to the ports you need. Choose from the DisplayPort or two HDMI's when connecting to a TV or monitor, connect high speed storage to one of the two USB 3.2 ports to transfer data quickly, hook up your keyboard and mouse easily with the USB 2.0 ports and transfer photos off a camera easily with the built in SD card slot. For a faster and more stable connection to the internet, we have also included an ethernet port to hard wire yourself straight into the network. To top it all off, you get all of these ports just using one USB Type C port on your laptop.
