

ICY BOX IB-168SK-B 13.3 cm (5.25") Carrier panel Black

Model: IB-168SK-B

Manufacturer: ICY BOX

EAN: 4250078182665

Product Code: 500879

R1,345

Proudly presenting

Since it was the first tray-less mobile rack in the whole world! With this one, the evolution of our mobile racks started. No screws nor tools are needed in order to install an HDD inside this rack. This frees up time for other tasks. The installation of this rack takes place in a 5.25" bay.

Quiet companion

Almost the whole body of this mobile rack is made of metal, which is very efficient in heat dissipation. Therefore a fan is not needed to cool down the 3.5" HDD. A rubber cushion is built inside the tray in order to reduce vibration noises.

Plenty to offer

The SATA III connector (compatible with SATA I/II/III) is a so-called NSS connector (non-scratch-SATA).
