

ICY BOX IB-1824ML-C31 SSD enclosure Black M.2

Model: IB-1824ML-C31

Manufacturer: ICY BOX

EAN: 4250078170518

Product Code: 500885

R1,438

Design at a new level

Upgrade your NVMe SSD and take your style to the next level with the IB-1824ML-C31. The two LED strips, which decorate the housing with flowing RGB ambient lighting, provide more individuality.

Keep it cool

The patented cooling plate on the inside passes on the heat generated by the SSD to the housing, thus providing optimum cooling of the SSD. This prevents the otherwise usual premature reduction of the transfer rate to protect against overheating. With the IB-1824M-C31, data can therefore be permanently sent from A to B at a maximum transfer rate of up to 10 Gbit/s.

Click - safe

Sensitive data can now be easily protected against deletion or changes by using the write protection switch. The write protection switch can be moved quickly and easily to the desired position with the mini tool supplied and a small hand movement. Click - safe!
