Bring diversity to the office everyday

With just one USB 3.0 host connector, you receive four further USB 2.0 ports, two USB 3.0 ports, one DVI-I and one HDMI connector as well as a Gigabit Ethernet connection and audio ports.

Multitasking for all

Thanks to the graphic interfaces DVI-I and HDMI, two additional screens can be connected, both in Full HD quality. The many available USB 2.0 and USB 3.0 ports make sure you will never have a need to compensate one device over the other.

Hands and feet

The high-quality metal stand makes sure the IB-DK2241AC is always in balance. Adding all the available ports, this device will make order in every situation.
