

ICY BOX IB- RD3620SU3 disk array 0 TB Desktop Black

Model: IB-RD3620SU3

Manufacturer: ICY BOX

EAN: 4250078186755

Product Code: 501020

R3,120

A good team

It does not matter if you want to connect to a PC or a Mac, all that is needed is just one cable, USB 3.0 or eSATA, in order to get this dual 3.5" HDD data juggler. The available RAID levels are RAID 0, 1 and JBOD.

A comfortable exchange

The HDDs can be toollessly built into the device and detached from it too. This is achieved by the support for HotSwap and Plug & Play. No additional driver installation is necessary.

Hear a pin drop

The IB-RD3620U3 is very quiet thanks to the passive heat conduction of the high quality aluminium enclosure. Additionally, a temperature controlled fan is included in the enclosure in order to make sure the cool temperature is held at all times. The fan can be set into three RPM presets.
