

LogiLink ID0016 mouse Office Ambidextrous USB Type-A Optical 800 DPI

Model: ID0016

Manufacturer: LOGILINK

EAN: 4260113567906

Product Code: 501194

R820

The LogiLink Mini Notebook Mouse with USB connection, optical sensor and a 800 dpi resolution for high precision and fast operation. The rubberized surface prevents slipping and provides a solid grip. The handy retractable cord can be set to our preferred length of the cable. With the blue-illuminated LED scroll wheel the mouse becomes a true design object.
