

TP-Link InSight S655I IP security camera Indoor 2560 x 1920 pixels Ceiling/wall

Model: INSIGHT S655I

Manufacturer: TP-LINK

EAN: 8885020627848

Product Code: 501486

R5,968

360° Coverage with 4-in-1 Cameras

A single fisheye camera can play the role of many, providing a simpler and more competitive security solution. For example, in 4PTZ display mode, it functions as four cameras at once, delivering complete coverage and flexible perspectives.

Multiple Display Modes

Along with the fisheye view, VIGI provides multiple display modes, enabling you to focus on every detail exactly as you prefer.

Smart Video Enhancement Technology

True WDR: By analyzing and blending different exposures, True WDR ensures both bright and dark

areas remain properly exposed, delivering a well-balanced and natural-looking image even in environments with high-contrast lighting.

Smart IR: Smart IR dynamically adjusts infrared lighting to prevent overexposure and glare, improve visibility at different distances, and ensure clearer footage.

3D DNR: 3D DNR is a noise reduction technology that analyzes image data across frames to selectively reduce noise while preserving important details.

White Balance: White Balance ensures that white appears neutral in an image, regardless of the lighting conditions.

Efficient H.265+ Compression Technology

H.265+ reduces the required bandwidth and storage space for videos while maintaining excellent image quality. It saves 57.5% and 15% more storage space compared to H.264 and H.265, respectively.
