R2,359

With a rugged weatherproof case rated at IP66, this 2-megapixel wireless network camera provides outstanding security for both indoor and outdoor use. Connect the IP camera to a wireless network to access live images via the cloud from anywhere in the world via a PC, notebook or mobile device. Infrared LEDs offer premium night viewing of up to 20 metres, along with a high resolution lens providing crystal clear images at a viewing angle of 65 degrees. Motion detection features trigger an alarm or email alerts to the user, providing exceptional levels of security for the home or office.
