R2,330

Featuring all the ports you need, the 4K60 Elite USB-C® 10Gbps Travel Dock is equipped with an advanced USB-C® E-Mark chip for compatibility with USB4™, Thunderbolt™ 3, and Thunderbolt™ 4 hosts and devices.

It supports DisplayPort™ 1.4 allowing you to add a 4K 60Hz HDMI™ display and has a Gigabit Ethernet port for adding a wired network. It includes three USB™ SuperSpeed 10 Gbps ports (1 USB-C® and 2 USB™ Type-A) for peripheral connectivity or downstream charging. The USB-C® port also offers up to 100W of power pass-through when connected to a power adapter.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
