

j5create JCD393 4K60 Elite USB- C® 10Gbps Mini Dock, Space Grey

Model: JCD393-N

Manufacturer: J5CREATE

EAN: 4712795086263

Product Code: 502004

R2,794

Featuring all the ports you need, the 4K60 Elite USB-C® 10Gbps Mini Dock is equipped with an advanced USB-C® E-Mark chip for compatibility with USB4™, Thunderbolt™ 3, and Thunderbolt™ 4 hosts and devices.

This USB-C® 10Gbps mini dock with DisplayPort™ 1.4 support lets you easily connect a 4K 60Hz display. It includes three USB™ SuperSpeed 10Gbps ports (1 USB-C® and 2 USB™ Type-A) for peripheral connectivity or downstream charging, an SD™ & microSD™ 4.0 memory card reader/writer to manage your media files, and a Gigabit Ethernet port to access a wired network.

The adapter also supports Power Delivery 3.0, which provides up to 100W pass-through charging to power the connected peripherals and charge your host laptop with a USB-C® power adapter.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
