The SmartFit™ Premium Heavy Duty Single Monitor Arm enhances workspace organization and provides a hassle-free experience for larger displays (up to 49 - 44lbs/20kg). Proper ergonomic positioning is supported by data-driven research and a color-coded fitting chart. Topside pre-installed C-clamp mounting and a quick-release VESA® plate (75, 100, 200, and 300; 1:1 mounting) simplifies installation and removal. A gas-spring monitor arm with articulating head supports height, tilt, swivel, and rotation adjustments with less physical exertion. Full rotation capabilities allow you to easily switch between landscape and portrait orientations. Integrated cable management keeps cords and cables organized and out of sight for a clean and clutter-free workspace. The arm is height adjustable from 7.6-18.9 (193mm-481mm). Includes a 5-year limited warranty.
