Designed exclusively for Surface, the MagPro™ Elite Magnetic Privacy Screen for Surface Laptop 13.8 seamlessly attaches to the Surface Laptop’s magnetic frame, helping to protect your privacy without any mess or fuss. The reversible screen offers a matte finish - great for touch screen use - and a glossy finish for a clearer view. The filter protects privacy by limiting viewing angle to ±30°, reduces harmful blue light by up to 52% and diminishes glare for improved clarity. A cleaning cloth and protective holder are included to keep the filter scratch-free when not in use. Touch and Surface Pen enabled, you can use your Surface laptop just as you would without a privacy screen filter. Includes 2-year limited warranty.
