Model: KDCBT450DAB

Manufacturer: KENWOOD

EAN: 019048230768

Product Code: 504110

## R4,404

CD/USB Receiver with Bluetooth & DAB+ Digital Radio.
Sound quality enthusiasts will love the CD/USB playback support of various types of music formats, including compatibility with FLAC files. Digital Radio DAB+ can carry far more stations, and all stations can be delivered at far higher audio quality than on FM. Built-in Bluetooth for hands-free calls and streaming music, as well as the ability to use your smartphone like a wireless remote control. Simple sound customization is also available with its built-in 13-Band EQ and Digital Time Alignment.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
