

Microconnect KON520TL wire connector RJ-45 White

Model: KON520TL

Manufacturer: MICRO CONNECT

EAN: 5711783176534

Product Code: 504395

R837

The MicroConnect KON520TL Tool-free RJ45 CAT 6 connector offers a swift and reliable solution for terminating CAT 6 cables without the need for specialized crimping tools. This user-friendly connector simplifies network cable installations, saving you time and effort. Engineered for optimal performance, it ensures a secure and stable connection, supporting high-speed data transfer for your network applications. With MicroConnect's 20+ years of expertise, you can trust in the quality and durability of this connector, designed to meet European standards. Ideal for both professional installers and home users, the KON520TL exemplifies MicroConnect's commitment to providing pioneering connectivity solutions at a fair price.
