The NEW Kenwood Chef Baker is guaranteed to be a welcome addition to your kitchen by delivering its best ever performance with a host of new features.

The addition of integrated EasyWeigh scales enables you to weigh ingredients directly into the 4.6 litre bowl or attachment, whilst the soft-start speed control enables mess-free baking.

Whether mixing, kneading or whisking, the large 4.6 litre bowl gives you the capacity to provide for the whole family and more. Whether it's mixing 44 cupcakes, kneading 2 loaves, or whisking 12 egg whites, you can create an abundance of sweet and savoury dishes.

A special new feature of the Chef Baker is the interchangeable PopTop covers. Adapt and update the design of the machine, to suit your style and personality!
