Product Code: 505570

R1,655

Lyng is a 2-in-1 flip cover for your changing needs. The flip cover is removable, which means you get two phone covers in one: a flip cover with wallet or an ultra-slim leather cover: Lyng is also handmade from sustainably sourced full-grain leather that develops a beautiful patina over time.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
