whites to help you uncover enemies or secrets lurking in the shadows. Even in dark scenes, every detail shines with clarity.

React in real time

240Hz refresh rate & 1ms (GtG) response time

Speed through scenes. 240Hz refresh rate eliminates lag for exhilarating gameplay with ultra-smooth action. Jump on enemies right when you see them with a 1ms (GtG) response time and blur-free frames.

Focus without ever breaking flow

FreeSync premium pro

Effortlessly smooth game play. AMD FreeSync Premium Pro features adaptive sync technology which reduces screen tearing, stutter, and input latency. Low frame rate compensation ensures every scene flows seamlessly.

Designed to light up your world

CoreSync & Core lighting design

Surround yourself in every scene. With core lighting, add personality to your setup with multiple color modes that leap off the screen and into your reality. Gaming escapes beyond the screen with CoreSync technology that matches your game's on-screen colors for world-blending immersion.

Quick, simple setup to seize the win

Game Bar

Check and control game settings in an instant. Now, you can easily view the status of the most important settings such as FPS or HDR. Modify response time or screen ratio, as well as the game picture mode without having to leave your game screen to keep you focused on your goal.

Unseen sides revealed

Ultrawide Game View

Find more with extended view. Discover hidden gems or flank enemies in full stealth with the ultrawide 21:9 aspect ratio. Extra context in every match brings you closer to the top of the leaderboard.

Instant auto connect

Auto Source Switch+

Power on for instant play. With Auto Source Switch+, your monitor detects when connected devices are turned on and instantly switches to the new source signal. This helps you get to your game action faster without flipping through multiple input sources.

Convenience in mind

Ergonomic Stand

Find your winning position. Swivel, tilt, and adjust the height until you're set up for victory. Fully compatible with VESA-standard monitor arms, the screen can be moved effortlessly to your ideal position.
