The AOC AGON PRO AG326UD is designed to elevate the visual experience with its 31.5-inch viewable size and 3840 x 2160 native resolution. This OLED monitor employs Quantum Dot technology, ensuring deeper blacks and brighter colors, while the high image contrast of 15000000:1 adds depth to each image. With fast response times of 0.03 ms and a refresh rate that can reach 165 Hz, fluid motion is experienced, making it suitable for fast-paced gaming and multimedia applications.
